A trip to Uganda is now being planned for March. If you are interested in going or just wanting some information, please sign up on the sheet on the credenza. This in no way commits you to go, but simply tells us you are interested in this trip or any upcoming trips. We are hoping to have at least two teams scheduled for the spring.

**9511 PROJECT**—an effort to reach and encourage college aged adults. **What Can You do?** Invest in a college aged persons life by contacting them, praying for them, sending cards, calling them spending time with them.

The Committee has a table with college aged adults names and information for you that are willing to support a college aged adult in their spiritual walk. Commitments are for one year at a time.

Prayerfully consider your participation.

This week, the doctor looked at Little Golf AGAIN in disbelief and said, "This boy must have met with a miracle!" Praise the Lord with them "that God still does miracles today!"
