Help Power House Kids...

The Power House offering for these two months is designated toward the purchase of mosquito nets to protect children in Africa from contracting malaria, therefore saving their lives. Individually, it is an undoable task! Together, through Cooperation, we can make a difference as we show Compassion.

You are invited to join in this offering. Each \$10 given will purchase a mosquito net and save a life. When you give \$10, you can put a paper mosquito up on the net on the wall. The final offering will be taken at the Children's Christmas Program the evening of December 20th.

To participate, please give your offering to your Sunday School Teacher or to Linda Klinger, Children's SS Superintendent. If you give \$10, you will receive a mosquito to put on the net in the Dining Hall. The kids have a net in the Power House Room for their mosquitoes. The display nets will be delivered to Uganda, Africa in July by a Team on a Mission Trip to Next Generation Ministries. Some of the Team Members are Power House Workers.

Questions? Contact Pat Regier, Power House Director, at 580-227-0389.
